Sir,

Sub: Forest concessions - South Kanara Division - Working of in 1950-51 - Annual report - Continuance of the concession - 1951-52-
Ref: G.O.No.1054-Ms, Development, dated 31.8.1933.

...

In G.O.Ms.No.1692, Development, dated 27.4.1950, Government have accepted the recommendation of the Chief Conservator that the existing concessions may be continued in the South Kanara Division during 1950-51.

2. The Concessions apply to all the reserves in South Kanara Division. Even though there was excessive felling of branches of classified species for fuel and manure leaf in some of the reserves the District Forest Officer, South Kanara Division considers that the damage is not so severe as to warrant the closure of these reserves for concession.

3. The ryots were permitted to hunt wild animals in the adjoining reserves of their patta land with the permission of the Collector or R.D.O. The hunt was organised on several occasions in the year and the result has not been satisfactory. As a result of these hunts carnivorous animals have begun to stray out and cause havoc in villages.

P.T.O.

4. The Collector of South Kanara has recommended that the existing concession may be continued for 1951-52.

5. I, therefore, recommend that the existing concessions be ordered to be continued during 1951-52.
